COMPETITION RULES

General rules: most of the International Judo Federation (IJF) rules are to be complied with certain specificities have been added, in compliance with the French Federation rules or the organizer's own rules.

1. Conditions of participation

Each federation affiliated to the IJF may enter as many athletes as it desires. Each athlete can participate only in one category and in one age group. However, organizers may decide to combine some categories according to number of competitors.

On the day of the competition, the competitors must have held a license for at least 2 years and be minimum green belt holders.

Each athlete participates in the age division which is **determined by his/her year of birth.**

Competitors who have double nationality can represent only one participating country.

Athletes who have participated in an official international competition organized by the IJF (with the exception of Masters) in the last two seasons are excluded from the event.

2. Age & Contest duration

Age division	Contest duration (min)	Female	Year of birth (see example)	Male
