Guidelines for Ne-waza Competition

Basic Rules

This is a Judo Ne-waza competition; a minimum of one knee (or equivalent) must remain on the tatami at all times. If a technique requires momentary simultaneous removal of both knees from the tatami onto both feet, then it is left to the referee's discretion to determine if in his/her opinion this is a legitimate removal of both knees from the tatami.

1. When their names are announced the contestants will Rei onto the mat.
2. When the referee beckons them forward, they will walk to the middle of the side edge of mat and Tachi-rei (standing bow) to each other.
3. When the referee is sure the table officials are ready, s/he will beckon the competitors to middle of mat, when they are 1 metre apart, they will kneel and Za-rei (kneeling bow) to each other.
4. They will then kneel in the up position and raise the other leg with foot flat. (ie kneeling on one knee).
5. On the command of Hajime, the contest will start - they have 15 secs to take hold and attempt to take control.
6. If competitors become locked together with no one appearing to be able to gain an advantage then Matte should be called. The competitors are brought back to the centre of the mat.
7. Osaekomi, 20 Secs Ippon, 10 Secs Waza-ari. Waza-ari and Ippon will be the only scores used.
8. Internationally recognised Judo Ne-waza rules will apply.

Termination of fight

On referee's call of **Ippon**, and/or **Sore-made** both competitors will stand and tidy themselves up and return to their kneeling start positions.

1. The Referee will indicate the winner as shown by the scores on the scoreboard. (If no score is shown on the scoreboard or if scores are equal then the referee must award Hantai based on his/her view of attacking spirit).
2. Both the judoka will perform a Za-rei.
3. Both the judoka will stand then back off to the edge of the mat area and both perform a Tachi-rei.
4. Tachi-rei to the mat, before the winner gives their name to the table.
