JUDO TIGERS

MOICO

ユニークな合宿

a unique camp

A unique camp for veterans and amateur judo players. Japan in Poland. Training under the guidance of an Olympic athlete.

For the second time we will meet at the European Budo Centre Dojo Stara Wieś. There is no other place like it in Europe and no other camp of judo veterans and amateurs like Samurai MeetUp. We believe in the values of judo free from an artificial atmosphere.

Samurai MeetUp is about passion, good energy and distance to ourselves. It's time to train, time to relax and time for sake. We guarantee the right conditions for all of this.

The two photos above are the property of Dojo Stara Wieś.

[JudoInside profile.](#)

A treasury of knowledge and anecdotes about judo. A communicative man with a sense of humor and distance from the world. Even on Facebook he has his own series of memes ([#przemomem](#)). Can joke & choke. Even simultaneously!

”Cool techniques in stand-up and ground, strong randori and a great deal of knowledge imparted in a professional manner.”

Maciej Gdula (Samurai MeetUp 2022)
