President Latvia
Judo Federation

Dear Judo Friends,

On behalf of the Latvian Judo Federation and personally, I warmly welcome you to Riga for the European Judo Championships Veterans

The European Judo Union does an incredible job in developing judo across various sectors, including the important sphere of judo for veterans. Since last year, the European Veteran Cups have been introduced, along with the addition of the ne-waza judo discipline, and it is truly an honor for us to be part of this program.

Last year, we hosted the first European Veteran Cup in Riga, and today, we are organizing the European Championships for you. We can see how multifaceted and popular judo is across Europe. For many, veteran judo is a great source of motivation, both for achieving personal goals and for staying connected to the judo family.

I would like to extend my gratitude and best wishes to the EJU team and all participants of the European Judo Championships for Veterans here in Riga.

Good luck, and may this championship be a memorable experience for everyone involved!

11.3 COMPETITION FORMULA

Individual

The type of competitions system to be applied in the competition will depend on the number of entries as follows:

Competition systems according to number of participants:

- 6 and more entries: double repechage
- 3, 4, 5 entries: round robin
- 2 entries: best of 2 contests, if 1-1 the third contest will decide.

In case the number of participants in a category is not sufficient, (age and/or weight) categories will be combined according to IJF SOR.

Category combining may only be applied to categories where there are less than three entrants. If category combining cannot be achieved safely and according to the guidelines, then a pool of two (2) elimination system may be considered. The best of three contests between the two (2) athletes, if the result is 2-0 then the third contest will not be fought.

- Combining within the same age division - athletes should remain within their age division if possible.
- Combining using weight categories - athletes should only be combined with other athletes who are no more than one weight category lighter or one weight category heavier. Special consideration should be given to the actual weight differences when dealing with the lightest and the heaviest female and male categories (as a guideline a maximum of 10 kg actual difference when combining the lightest weight category and a maximum of 20 kg actual difference when combining the heaviest weight category should be considered as a limit unless there are other compensatory factors such as experience etc.). Weight should be the primary consideration when moving athletes about within their own age division or combining them with other age divisions in accordance with the guidelines below.

Age divisions:

- Athletes in age divisions M7 or F7 and above (M8/F8 and M9/F9) may only be combined with other athletes who are no more than one age division higher or more than one age division lower i.e., athletes in M7/F7 may only be combined with athletes from M6/F6 or M8/F8.
- Athletes in divisions M6 or F6 may be combined with athletes no more than one age division higher or two age divisions lower. i.e., M7/F7, M5/F5 and M4/F4.
- Athletes in divisions M5 or F5 may be combined with athletes no more than one age division above or two age divisions below i.e., M6/F6, M4/F4 and M3/F3.
- Athletes in divisions M4 or F4 may be combined with athletes no more than two age divisions above or two age divisions below i.e., M5/F5, M6/F6, M3/F3 and M2/F2.
- Athletes in divisions M3 or F3 may be combined with athletes no more than two age divisions above or two age divisions below i.e., M4/F4, M5/F5, M1/F1 and M2/F2.

F9/M9	Not applicable	F8/M8	65-70+

All the contests in any one age division will be held on the same day.

Team

The competitions will be arranged on a double repechage system.

The competitions will be held from lightest to heaviest weight category (according to 10.2).

Before each round the team leader must present the line-up of the team to the EJU Official. At each round he/she has the right to replace one or several competitors by other competitors of the corresponding weight category or from the next lower category.

If at the end of the contest there is not at least a difference of a Waza-ari between the two competitors, the contest will continue according to Golden Score rule.

The number of contests won will decide the winning team. In the case of equal number of contests won and total of winning scores, one category will be drawn for immediate golden score.
